6.	My overall rating of this program:	1	2	3	4	5

Please provide any suggestions for future programs and/or presenters:

Additional comments on this program: ① There were too many people for 1 food table (break); insufficient time. FOR 200+ attendees, AT LEAST 2 Food & Beverage tables are needed. For the food, ACCESS from both sides of the table would be ideal.

② Anti-Deficiency Program - too long
